## SA8000 MANAGEMENT SYSTEM CERTIFICATION CERTIFICATE

Certificate Number: IT324134

Rev: 3

This is to certify that

### PIETRO FIORENTINI S.P.A.

Via Enrico Fermi, n. 8/10 - 36057 Arcugnano (VI) - Italy

This is a multisite certificate, additional site(s) are listed on the next page(s)

Has been found to confirm with an appropriate and effective management system that meets the requirements of Social Accountability Management System Standard

SA 8000:2014

#### Scope of certification

The scope of certification described by this certificate relates to the empowerment and protection of all personnel who provide products or services for that organisation at the above address, including personnel employed by the organisation itself for the following activities

Design, production and installation of pressure regulators, safety devices, relief valves, pressure stabilisers, butterfly and ball isolation valves, flowmeters for pressure pipeline, filters, separators, heat exchangers, indirect heaters, gas odouring systems, electronic and mechanical apparatus for measurement, process control, automation and data acquisition, treatment systems (including systems for crude oil desalting, dehydration and glycol regeneration, molecular screening dehydration), pressure reduction and/or measurement systems for natural gas, combustible gases obtained from renewable sources or industrial processes, technical gases and crude oil, biogas treatment systems for biomethane production (upgrading), biomethanation plants, injection stations and compression systems for combustible gases obtained from renewable sources or industrial processes, liquefaction systems for biomethane and carbon dioxide, control and power switchboards, automation systems, remote control and telemetering devices related to gas, water and energy infrastructures, networks and web's information technology systems.

Activities of after-sales support and supply of services, including installation and start-up support and maintenance services of the above mentioned product and systems, remote reading and remote management services for transmission and distribution systems of natural gas, combustible gases obtained from renewable sources or industrial processes and crude oil.

Training and qualification of personnel involved in the surveillance activities of the natural gas transmission and distribution systems of natural gas, combustible gases obtained from renewable sources or industrial processes and crude oil.

Storage and distribution of odouring liquids, gas chromatographic analysis. Filling and distribution of odouring liquid containers for natural gas and LPG. Design and production of water meters.

Periodic verification of gas meters and conversion devices as an inspection body under Ministerial Decree 93/2017. Software development and implementation on PLCs, DCS, and computers.

Design, manufacture and commissioning of machinery and work equipment for use within Pietro Fiorentini Group companies.

Date of initial certification:

05-July-2023

Place and Date:

Italy, 09-July-2024

This Certificate is Valid Until:

04-July-2026

For and On Behalf Of Bureau Veritas Certification Holding SAS

The Certification Audit Was Performed and Supervised By:

230056

Disclaimer - Signature is not mandatory as it is Electronically generated certificate

BV id of SA8000 Lead Auditor

SA 8000

Nicolas Mey  
President

Note: Lack of fulfilment of the conditions specified in the appropriate Certification Agreement may render this Certificate invalid.

Social Accountability International and other stakeholders in the SA8000 process only recognize SA8000 certificates issued by qualified CBs granted accreditation by SAAS and do not recognize the validity of SA8000 certificates issued by unaccredited organizations or organizations accredited by any entity other than SAAS." Additionally, all SA8000 certificate shall contain the address of the SAAS website ([www.sa-intl.org](http://www.sa-intl.org)) where stakeholders can confirm the validity of an accredited SA8000 certificate.
